OFFICE OF STRATEGIC SERVICES

OFFICE MEMORANDUM

To: Lt. Neller

DATE: October 29, 1943

OM: Lt. Colonel Lowman

BJECT:

Recalling our discussion, it is my understanding that Sergeant Lang leaves immediately for 10 days' leave. Since we have air priority for him and theater approval and since Colonel Glavin has cabled again about his coming, please advise SRS so that we can get him off as near November 9 as possible.
